INTRODUCTION

The state of urban design in Canada:

It's better but it could be much better.

Why is it better? Why could it be much better?

CHALLENGES

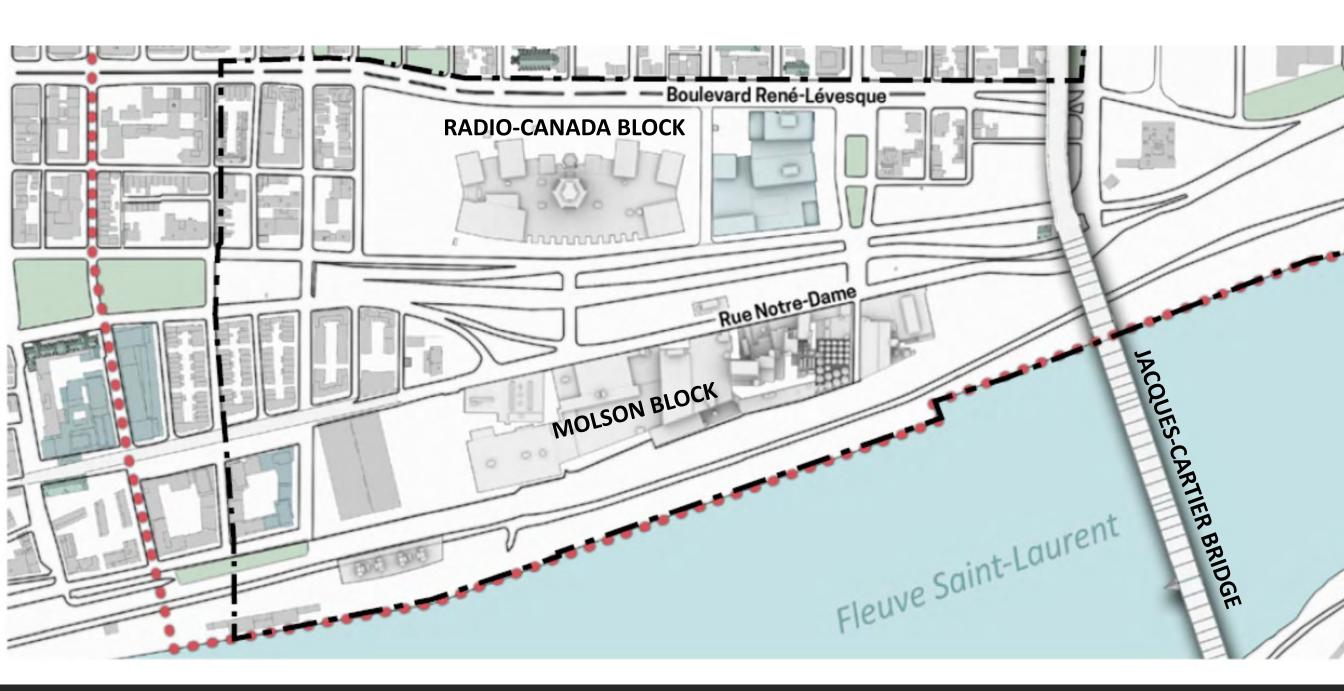

- Environment
- Transportation
- Land-use planning
- Municipal revenues

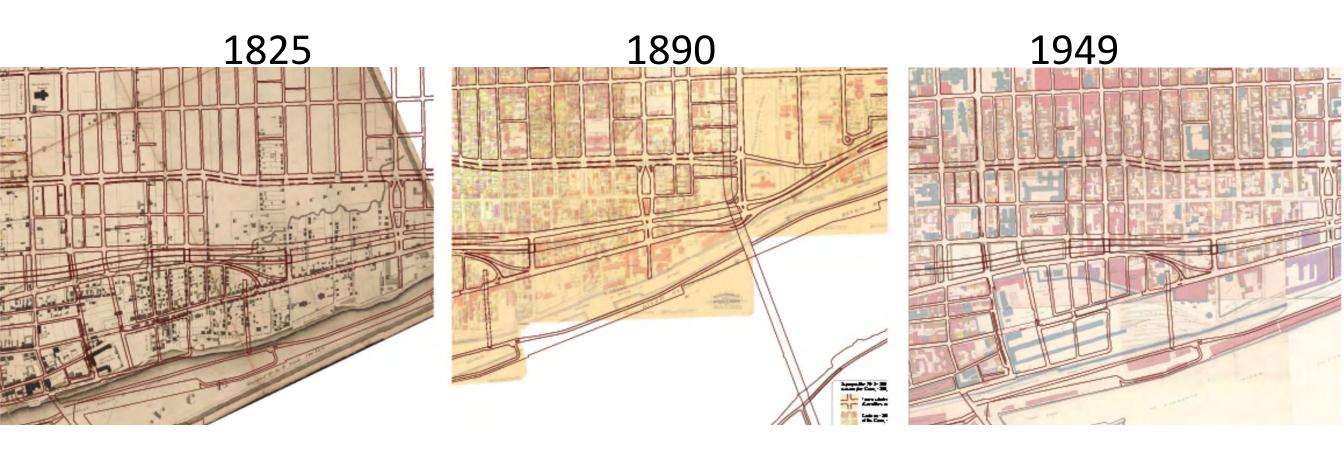

IDEAS, RECOMMANDATIONS

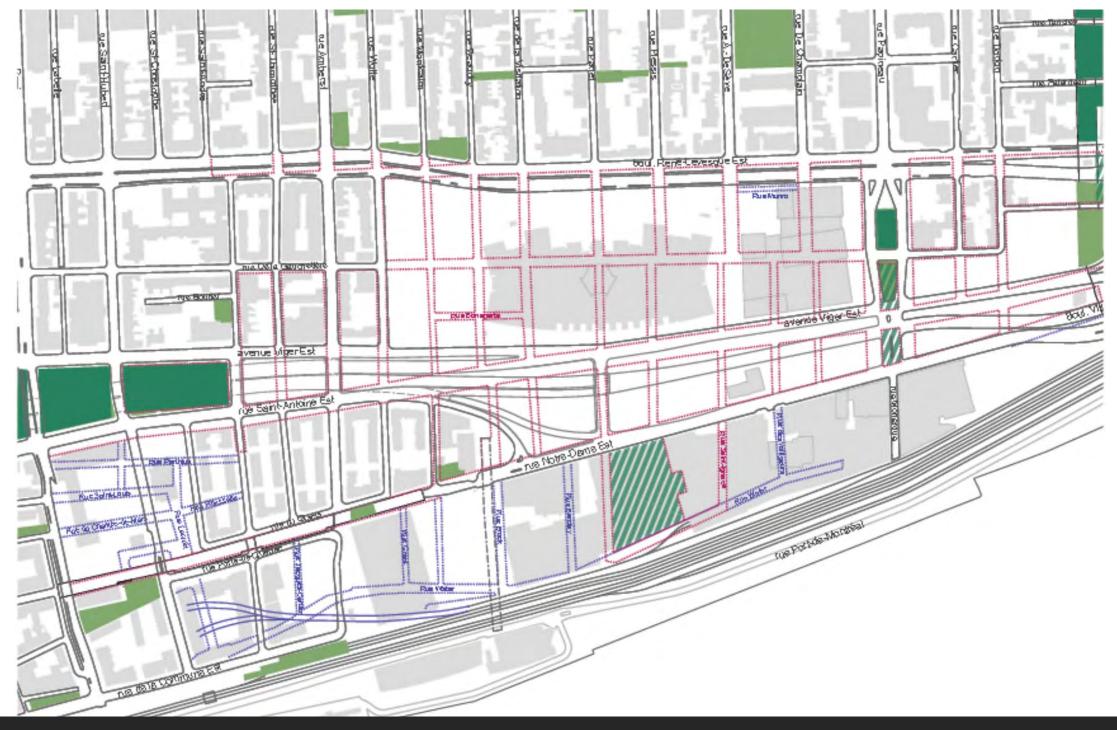

- Get to know your site
- Find a champion
- Pull together a multidisciplinary team
- Prepare bullet proof arguments

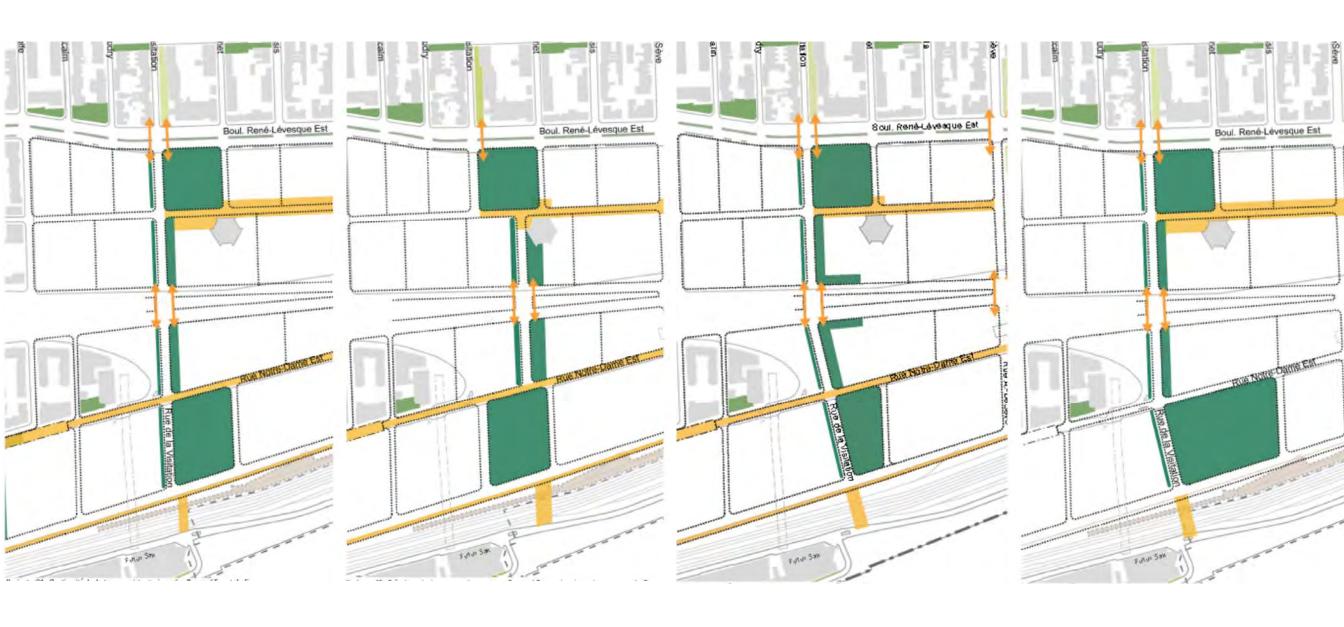

IDEAS, RECOMMANDATIONS

- Implement a view protection bylaw
- Independent advisory body
- Do it the European way
- Foresee flexibility
