EVERGREEN

A founding partner of

**We need new solutions  
to our most pressing  
urban challenges.**

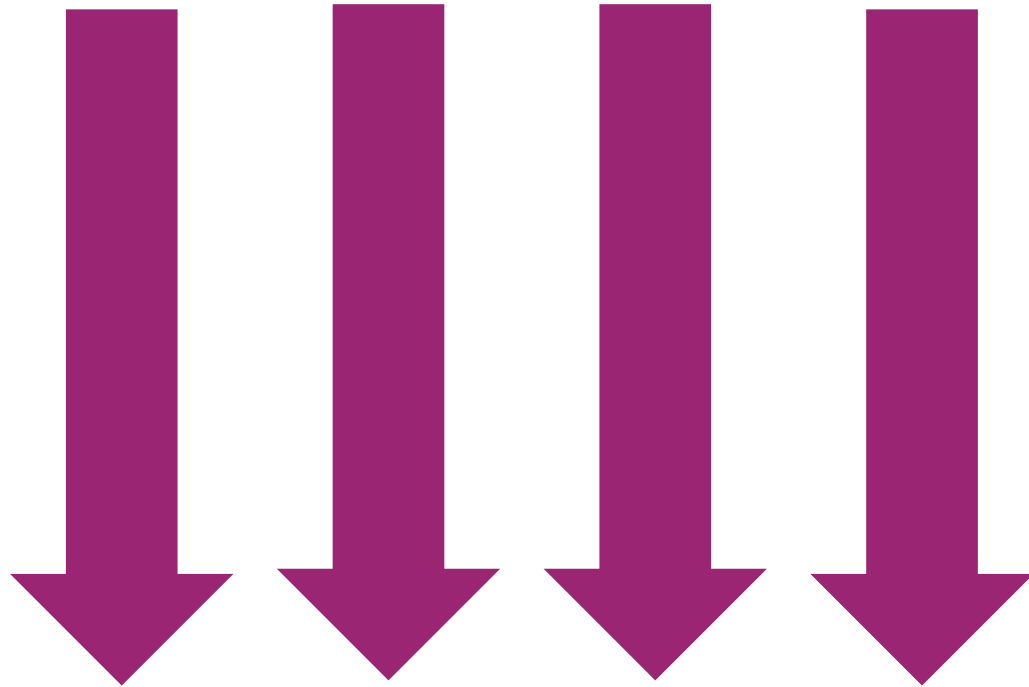

**Innovation =  
changing how  
we work to  
improve  
outcomes**

From this...

To this.

Inclusive  
innovation =  
changing the  
“who” of  
decision  
making

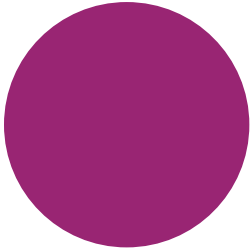

At the core  
of  
“innovation”  
are the  
*people*

# So what do we do?

- 
- Digital platform
  - Conferences & summits
  - Learning Exchanges/communities of practice
  - Research & case studies
  - Technical training and support
